What a **wheeze!** This month saw the launch of my new **club night** at a top-secret venue in central London. Every other Sunday my mates and I will subject everyone in the place to the tunes **we like**. It's meant to be a **laid-back** affair; just a few drinks and a chat in pleasant surroundings, from six till eleven, before the working week kicks off again.

For the opening salvo I chose some smooth and gentle Mo Wax **hip hop**, a couple of rare groove numbers and some ska. Then it was my flatmate Tim's turn to spin some **Barry White** and similar. Bootiful stuff; what Sunday is all about. And that's the way it stayed – until about nine o'clock when the half dozen bottles of **K cider** kicked in and about 75 close friends and low-lifes piled through the door...

By nine I'd managed to elbow Tim off the decks, persuading him that his services were better employed chatting to my cousin and her **gorgeous** friend.

☆ **Up** went the volume to distortion level
☆ **Out** went the smooth grooves
☆ **On** went Dirtbox, Blondie, Tricky and other banging tunes
☆ **Down** went another five bottles of K...
☆ while the bar manager **ducked** behind the pumps never to be seen again.

Everyone was dancing (except Dep Ed Richard who lay crumpled in the corner, monged and mangled after the weekend's excesses and the disappointment of being turned away from the **big Blur** gig!), my mate Kaz was **snogging** a gayboy and I was falling all over the place and mixing tracks like a broken Moulinex.

You see, this being my first 'do', I wasn't aware that as the host you have to be there from the start till the **death**. Translated into pints, this means you drink at least **twice** as much as everyone else and therefore make twice as much of a **fool** of yourself. What a mess! And I didn't even get laid, but, as ever, my trusty copy of the new Club kept me warm well into the **early hours** and also came in jolly handy for mopping up the sick. – **The Ed.**♣

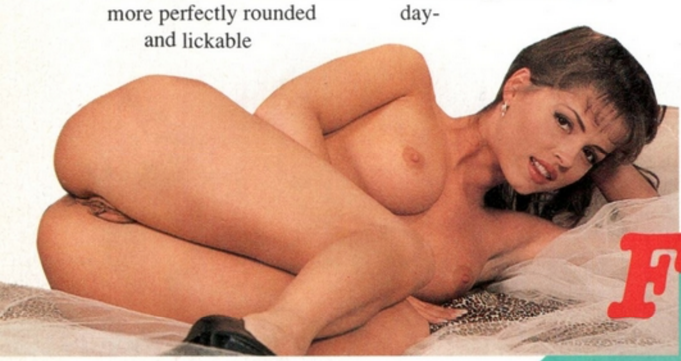
RANDY SANDY

Blimey, talk about hot under the collar – you guys gave me a freakin' volcano in my underpants! When I flicked through the latest issue of Club (Vol 24 No 7) I saw the usual assortment of leggy lovelies, but it was Sandy who really caught my eye.

The pictures of her rolling around in front a log fire sent my temperature soaring. I don't think I've ever seen a more perfectly rounded and lickable pair of boobs than the ones Sandy possesses. Mmm, I could almost taste them. And those lovely long legs leading up to that neatly trimmed pussy, I'd love to kiss my way up the inside of her thighs and then delve my tongue inside that sweet honeypot. Please let's see some more of Sandy as soon as possible, I don't think my cock can wait for too long! – *Johnny, Brentford*



COLLEGE DAZE!

People are always saying how their college days are the best of their life, and after studying up here in Liverpool for the last six months I'd have to agree. If someone had told me last year that I'd be getting laid on such a regular basis, I would never have believed them. I've lost count of the number of women that I've shagged, but I'll never forget the first time...

It was the end of May and I was in the library trying to revise for my exams. It was a sunny day outside and, to be honest, my mind was more on the scantily-clad girls lying on the grass outside. Wherever I looked I could see the tanned bodies of fit women bursting out of their summer wear. The sight of bulging breasts and golden thighs was tormenting me and the more I tried to concentrate, the more my mind strayed to the thought of their tight, fresh pussies moist beneath their knickers. I was snapped out of my day-dreaming by the clicking of heels and I turned around to see an absolute babe of a girl strolling into the library.

Her legs were long and deliciously toned, and as she walked her hips swayed beneath her dress. The thin material hugged her breasts and stretched down just far enough to conceal her pert bum. I didn't think she'd notice me, but when she squatted to scan the lowest bookshelf, I felt sure she knew I was looking at her. The hem of her dress was taut around her buttocks and there was no trace of a pantie-line. I watched goggle-eyed until she suddenly glanced over her shoulder and met my gaze.

She smiled, picked out a book and then squeezed herself into one of the seats facing me. She opened the book and started reading as my eyes lowered to take in the full view of her breasts. All I could think about was slipping my cock between her boobs and shooting my load all over her dark skin. Then she looked up.

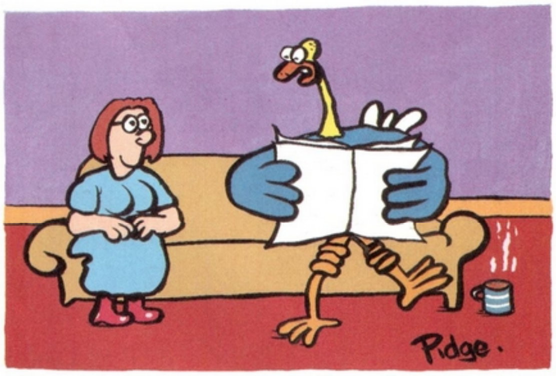
"Too hot to work," she purred sexily.

"Sure is," I muttered.

"I'm Cathy," she told me. "And you are?"

"Steve," I replied.

We got chatting and Cathy told me that she had a room in one of the college flats and suggested we could drop by for a glass of wine. I felt like asking her if she could pinch me at the same time, just to make sure I wasn't dreaming! Of course, I accepted her offer and we strolled back to her place. When we got there, Cathy lead me into the bedroom and told me to make myself comfortable while she sorted out the drinks. After a few minutes, she came through with two glasses of wine and we sat on the edge of the bed talking.



I don't reckon this acid's all it's cracked up to be!

"I guess you're feeling stressed out with all this studying?" she said.

"A little bit," I told her.

"Maybe this'll take your mind off it," she purred, then stood up and pulled her dress up over her body and tossed it to one side. The sight of her little blonde bush and pert tits was too much for me. I wrapped my arm around her waist and pulled her onto the bed, my mouth clamping onto her nipples as she began to take my clothes off.

Cathy leaned forward on her elbows with her bum raised high in the air, and I slipped my hand onto her mound and rubbed her clitoris. She moaned as my rubbing became more frantic until her thighs clamped around my hand. "Fuck me," she cried. I held her by the hips and moved my cock between her legs, gasping as I felt her fingers wrapping around my prick to guide me inside.

She began to grind herself against my dick, and I could feel her tight pussy tighten-

Once upon a time, Jo Guest, who can be seen every month in *Men's World*, fancied a tramp in the woods. Her name was Katie, a latent lesbian with a tongue that knew exactly how to tickle a girl's fanny. "My, Katie, what big tits you have!" said Jo. "All the better to tease you with..." replied Katie.

"Why don't you come back to my place and I'll show you!" So they went back to the Gingerpube House where Katie treated Little Dead Fucking Good to a slap-up fish supper. The result? Now Jo's a latent lezzie too and so they both licked happily ever after...

Salad may seem like a stupid name for a kick ass rock 'n' roll band, but there ain't nothing stupid about Varijne van der Vlugt who fronts the group. You may just recognise the Dutch-born beauty as a former MTV presenter, although she won't thank you for mentioning it. "We're always seen as an MTV band," she complains.

Before forming the group, Marijne (pronounced Ma-ray-na) worked as a model and a film student in London, before hitting the small screen and presenting a weekly fashion show. MTV's loss is our gain and you can sample the delights of Salad on their debut album *Drink Me* (Island). ♣

What happens when the odd flutter turns into a gambling addiction? **Matt Moore** meets a man who couldn't resist fruit machines...

Go into any amusement arcade in Britain and you'll always find someone between twelve and pensionable age propping up a fruit machine. Most people just waste a few quid and go home, but there is a small percentage of people that stay in the arcade, lose all their money and then go home to raid their holiday savings too. It's only then that they begin to realise they've lost the equivalent of a two-week holiday in Greece.

Johnny is 20-year-old and works at a chicken packing factory in Weston-Super-Mare. Between the ages of 14 and 17, Johnny was addicted to fruit machines.

When did you start gambling?

"When I was eight years old I used to go by ferry with my mum and dad to see my grandma. I'd play the one-arm bandits that were on board and I used to get right into it. As I got older, I spent more and more money."

How much did you spend?

"A lot. I can't remember where it all came from, but I used to keep going back to the bank to get tenners out."

So you were addicted?

"Yeah, definitely. I didn't know it at the time, but looking back I'd do anything to get money so I could play the fruit machines."

Did you ever steal?

"Luckily I didn't need to 'cos I had money from a part-time job. I remember when I first started playing the ten pence machines. I was supposed to be revising for my exams, but I'd take two quid out with me and ride my bike down to the arcade. I'd always end up cycling back home to get another couple of quid, and then I'd do the same thing again! I lived two miles from the arcade, so I was as fit as a butcher's dog!

"I always used to be convinced that the next ten pence – the ten pence I never had – would win. I'd go to the shop where my mum worked and borrow fifty pence off her then run all the way back to the arcade!"

If you've got a problem, do your losses get worse or do

you keep it steady?

"It can get worse," admits Johnny. "I remember when I first started, if I lost five pounds I'd feel pretty shit but then it was soon forty and fifty quid.

"Once, my brother was waiting for me outside the arcade whilst I had a flutter. I ended up losing a load of money, and when I came out of the arcade my brother had pissed off home, so I blamed him for my loss. When I got home I tried to fuckin' kill him. That's a sign of addiction."

How did you stop?

"Every time I had a big loss, say fifty quid, I'd be so annoyed that I'd hit myself in the face. I can't stand to lose money and I'd threaten to kill myself if I did it again. But I'd do it again. I worked out that I couldn't make money even if I was winning, but I just couldn't stop. It was such a good buzz."

What does it feel like?

"It feels top. You go in there with a couple of quid and make it into twenty five quid."

Johnny gradually stopped his addiction, staying away from the machines for first one day, then a week and eventually a year. Two years on, Johnny is about to start a business studies course.

"A couple of mates who started when I began are still bad gamblers. They get paid on Friday afternoon and have spent seventy quid in the arcade by eight o'clock that night.

"Sometimes I'll see Dean in there late on a Friday night and he'll be down to his last tenner and trying to win his wages back. Just think how bad you feel after working all week at the chicken factory with your hand up a hen's arse and then you blow it all on fruit machines in a night!"

Gamblers Anonymous is an organisation that has helped people break away from every scale and type of gambling.

They're not interested in telling people how to live or what to do with their money, but will help anybody who considers their gambling a 'problem'. Alternatively, just get a bird and spend the lot on her. Same difference, really.

All the names have been changed to protect the skint. ♣

COMING SOON...

Hello fellas! My name is Carrie Roberts, I'm your new regular girl and the Editor has asked me to tell you a few things about myself. I'm 19 years old and I live in London with three other girls and a cat, although I'm originally from Leicester.

I haven't been modelling for long, I design clothes for a living, so it'll be quite a change to be taking them off instead! In fact, I designed a rubber dress for one of the girls in Club and the Editor was so impressed when I modelled it, that he offered me the job on the spot!

Now that I'm the regular girl in Club, I hope that all of you will write in and tell me exactly how you want to see me. I have a few ideas of my own, but I can't wait to see some of your sexy suggestions! I promise to read every single letter that I get and I'll see you all next month... Bye for now! ♣

Take a gamble on spread betting, says **Dave Pike**, it could pay dividends...

Everybody can name the oldest profession, but what about the second oldest? I reckon it's bookmaking. And I'll back that up with good money. Because from Stone Age times when hairy-shouldered blokes with ground-scraping knuckles wagered piles of rocks on whether the sun would rise the following morning to the present day when much the same scene is played out in Newcastle, betting has been one of Mankind's favourite pastimes.

The sort of betting we all know and love is based on fixed odds and a sporting result: the bookie determines the chances of a particular outcome and the punter's winning dividend is calculated accordingly. Now, however, there's an alternative aimed at the informed sports fan (and let's face it which sports fan doesn't reckon he's informed?). It's called spread betting, and it's already huge in America as a glance through the drug-fuelled sports-ranting of

(continued page 94). Luce herself hasn't turned up although we're covered if the plumbing goes askew as there's plenty of shaven-headed women in grimy boiler suits hanging around.

After a dozen champagnes it's time to stagger over the road to The Coach and Horses where Andy Robson, the shadowy freelance behind *Maxim* mag, is holding court. "I was going to phone you, Phil, about having a chat and a beer sometime," says Andy. But as he's been saying this for several years now I take it all with a large dose of sulphate. To his credit though, Andy has brought along a young Charlotte Rampling lookalike who has eyes that match the original. After I tell her this it seems to be all over, bar the shouting, but it's a night when sexual language is under heavy manners and a

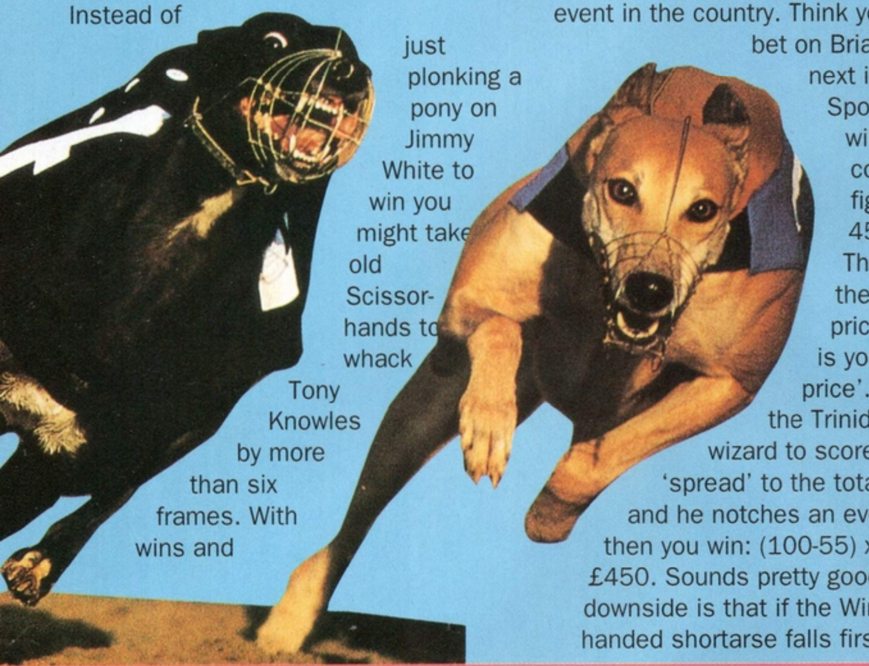
Hunter S. Thompson will confirm.

Spread betting lets you slap a wager not just on the result, but on any number of side issues from the margin of victory to the number of minutes it takes before Ryan Giggs first fiddles with his hair or adjusts his tackle. Instead of just plonking a pony on Jimmy White to win you might take old Scissorhands to whack Tony Knowles by more than six frames. With wins and losses calculated on a sliding scale, spread betting is definitely one for the serious punter.



Britain's top spread betting operator is Sporting Index. They'll quote you a spread on just about any number of combinations at virtually every sporting event in the country. Think you'd like to bet on Brian Lara's next innings? Sporting Index will give you a couple of figures, say 45 and 55. The upper is their 'selling price' the lower is your 'selling price'. If you back the Trinidadian wizard to score above this 'spread' to the total of £10 and he notches an even century then you win: (100-55) x £10 = £450. Sounds pretty good, huh? The downside is that if the Windies' left-handed shortarse falls first ball then you lose: (55-0) x £10 = £550.

This is what gives spread betting its thrill, it's like picking a fight with a 250lb bouncer: get it right and you feel like a real hero, fuck up and you lose big time.

Unlike traditional betting it is impossible to work out your winnings and losses till the final whistle blows. In theory you could be in for a nice surprise or a sickening shock. Thankfully damage can be limited. One of the big plus points of spread betting is that it's completely interactive. By making a phone call during a match you can change your wager, push up the stakes, lay off bets or cut your losses. And thanks to its regulation by the Financial Services Act, spread betting won't result in a visit to the Bankruptcy Court or a knock on the door from a couple of gorillas armed with pick-axe handles or baseball bats.

"We'll never really compete with the fixed-odds boys," admits Wally Pyrah, PR Executive for Sporting Index. "But we offer an exciting alternative for people who have an opinion. The more informed your opinion, the better your chances of winning are."

Yeah, sure. But I'll bet Wally still drives a nice car. ♣

Oh dear... back at the ranch I get a phone call from seafaring painter Martin Mann. He's still shell-shocked after getting beaten senseless by some French drunks in Le Havre. To make matters worse, the French police had then turned up and, instead of rescuing our Mart, they'd broken his nose with their night sticks. After Martin had lost a pint of blood the cops reluctantly took him to hospital where they got bored and attacked him again – the doctors had to pull them off. Martin finally crawls back to his P&O ferry to be sacked for being late. "So," I say, "apart from that, how was Dallas, Mrs Kennedy."

But none of the above are there nor are the Small Faces though maybe that's for the best as wheelchair-bound Ronnie Lane wouldn't have got up the stairs.

Advertising king Simon Gargette announces a new scheme to save the rain forests with "green designer Levis, they'll only cost £250." But who can afford 'em, I ask. "Everyone," he says. "I'll buy six myself if I have to." At 8.30 the free beer runs out – being a man of integrity, I leave.

Then count yourself lucky). It's all a waste of time anyway as he hates Panic and refuses to even watch support band The Casuals, a lively Britpop trio who deserved better. One of the Casuals fans tells me an A&R joke. It's the day of Creation and a rabbit is talking to a snake, saying "What am I? What do I look like?"

"You've got big ears," says the snake, "big teeth and a fluffy tail."

"Good," comes the reply. "I must be a rabbit."

So the snake says, "But what do I look like?"

The rabbit answers slowly. "Well... you're slimy, you've got a forked tongue and no ears."

"Oh no!" says the snake. "I must be an A&R man!"

roll in the heather!

Rock 'n' roll rebel *James T Bone* casts a discerning eye at the mad, bad and dangerous world of music...

When it comes to making money, record companies are pretty ruthless in their quest to get their hands on the green stuff. They have no qualms about exploiting dead singers (Hendrix, Presley and Joplin have all sold more records whilst pushing up the daisies) or taking advantage of an artist's notoriety or previous occupation (see Keanu Reeves, Johnny Depp or Traci Lords) if it means selling more records.

Ninety nine times out of a hundred the artist involved is invariably crap (c'mon folks, Bruce Willis releasing an album on Motown?!) and rightly deserves ridicule from all quarters. Former porn star **Heather Hunter**, however, is an exception in that she's a great singer, and she doesn't feel the need to justify her previous career. "My cards are on the table," says the 22-year-old. "There are no skeletons in my cupboard; love me or loathe me but you had better respect me."

Most artists can kiss their credibility goodbye as soon as they put their signature on a recording contract, but when the label in question is New York's ultra-hip Tommy Boy Records (home to House of Pain and Naughty by Nature) it's a different story. With a chart-topping single *I Want It All Night Long* under her belt, Heather is currently recording her debut album which is due out at the end of summer. It should be well worth checking out, we reckon.

● It has come to our attention that sodding club promoters have been nicking girls from our magazine once again. The latest culprit is **Centrefold** in London who have displayed the ample charms of one of our models across hundreds of their flyers. While they're obviously displaying excellent taste, we must admit to being a little bit pissed off that they didn't send us a few free tickets so that we could get wasted and fall asleep in the corner of their club. Get your act together boys, or else we'll have to send the girls round...

● Now, what happens when you mix together the dulcet tones of Johnny Lydon, Flowered Up and East 17? We reckon the bastard child of this unholy union would sound something like **J-Pac**. The two tough nuts from South London recently released their debut single *Rock And Roll Dole*, a sneering diatribe against those friendly people down at the Job Centre. They should have an album out next month, but in the meantime they'll be scaring teenyboppers everywhere when they head out on tour with East 17 later this month.

● **Supergrass** as sex symbols, anyone? Erm, we wouldn't have thought so, but Calvin Klein have been after the 'Grass singer Gaz to front their latest underwear campaign! Thankfully Gaz was far too busy to fit them in, thus sparing us all the sight of Wolfman in a pair of yellowing shreddies at every bus stop in the country. Phew wee (stains).

● Ever wondered how techno virtuoso **Moby** got his name? It transpires that Moby, aka Richard Hall, is the grandson of one Herman Melvin who penned the classic book *Moby Dick*, and thus the unfortunate little Dick was christened Moby by his parents. Rock and fucking roll, huh?

POOT!

No longer just a main stay for ugly lads who should grow up, skateboard fashion is now more popular than ever amongst this year's flock of sexy birds from Ascot to Glastonbury who both rate it (so get with it!) and wear it.

Whilst the popular labels (Foundation, Fuct, Poot) on people's shirts are unquestionably rooted in the skateboard scene, skate fashion's current success has more to do with the high profile of The Beastie Boys empire than actually riding skateboards.

The awesome threesome are even involved in their own clothing label, X-Large, that is popular and has its own retail outlets in Tokyo, New York and Los Angeles. Two years ago, X-Large was joined by X-Girl, a subsidiary label launched by Sonic Youth's Kim Gordon to give girls their own brand of tough, but cute 'street clothes'.

Whilst current skate fashion for geezers moves further towards looking like the geek's geek and occasionally even riding the skateboards, the girls have their priorities right and are showing it off all over the English summer in hot minis and tiny tit-tastic tee-shirts. ♣

one," she admits. "I like playing the sweet little girl in bed, letting the guy take the lead, gently teasing me into submission. Then I take over and leap on him like a tiger, working his cock until it's worn out! Yeah, I guess I am a bit of a hussy!" ♣

Tonya Harding: Video nasty

Carlisle United's recent appearance in the Auto Windscreens Shield Final saw Wembley Stadium adorned with hundreds of inflatable sheep brought to the capital by the cheerful Cumbrians. Sadly none of the profit from the sales of the air-filled items was going to the club; United's shop refused to stock the sheep when it was discovered they had, erm, working parts.

The sight of the crowd brandishing their ewes awakened memories of the golden age of inflatables back in the late 1980s when waving some squeaky plastic object was positively de rigeur amongst fans. Tortoises were sighted at Bournemouth, pumpkins at Vicarage Road, and pink panthers bobbed about the away terrace whenever Stoke City were in town. Grimsby fans, meanwhile, waggled their 'Harry Haddocks' to a mass chorus of 'Sing when we're fishing/We only sing when we're fishing'.

Strangest of all the inflatables though, was the Bury black pudding: a large coiled object that could easily have been mistaken for a gigantic dog turd had it not had the words 'Bury FC Black Pudding' printed down one side by the helpful manufacturer.

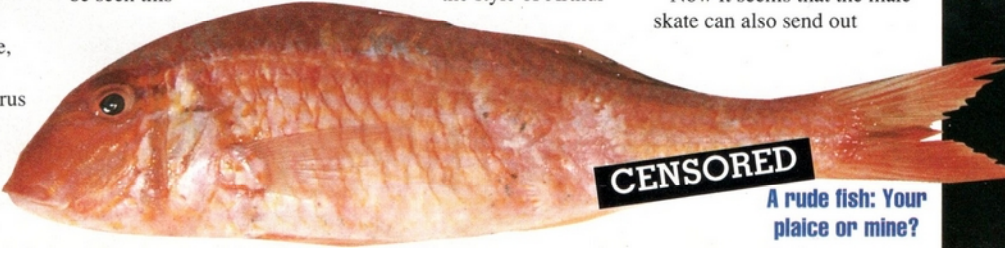
● One weird piece of fan behaviour which won't be seen this coming season is the Main Road Chicken Swing. It seems that Man City have decided to ban a lifelong supporter and season ticket holder who celebrated every Blues goal by twirling a dead capon around his head. I might consider this the oddest goal celebration ever had it not been for something that I saw at Molyneux in the early 1970s. Here a strange, long-haired Black Country character would wait until the cheering subsided after Wolves scored, then spread his arms wide and bellow, in the style of Arthur Brown at the start of his hit record, *Fire*: 'I am the God of football/And I bring you... Goals!'

And this was in the days before they had introduced the Care In The Community Scheme. Scary.

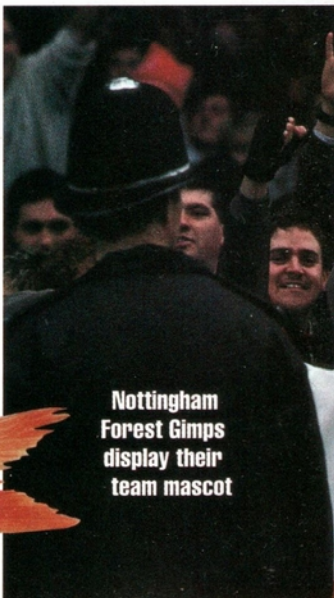
● Bob Nudd, Essex geezer and fisherman extraordinare, has the tackle no trout can resist (though whether they'll get quite so excited about his rap record, *Maggots in Yer Catapult* [Studio Fish Records] is another matter). As you read this Super Nudd will, in all probability, be heading off to the Saimaa Canal in Finland for the World Coarse Fishing Championships. However, the world's coarsest fish, the common skate, won't be one of those hooked. Which given the reported nookie ban on the British team is probably just as well. The female skate, you see, is rumoured to have genitalia which so closely resembles that of the human female that sex-starved fishermen on North Sea trawlers have been known to fight over the right to go down below with a particularly attractive specimen.

Now it seems that the male skate can also send out confusing signals. According to *Angling News*, a woman walking her dog on Clacton beach was shocked when she came across a severed penis lying on the sand. She promptly rushed to a telephone box and called the police to report a possible murder. The coppers were relieved to discover that the severed todger in question came not from the unfortunate victim of a gangland slaying, but from a skate. A police spokesman revealed that this was not the first time such an incident had occurred, adding that fishermen often sliced off the offending appendage before taking the fish home, "so as not to shock their wives". Peculiar.

● One wife who probably wouldn't be shocked is American ice skater Tonya Harding. Poor Tonya must be past the stage of being shocked or surprised by anything that her former husband does these days. After the kerfuffle surrounding his failed attempt to knobble arch rival Nancy



A rude fish: Your plaice or mine?



Nottingham Forest Gimps display their team mascot

Kerrigan, comes the news that he is now offering copies of the Hardings' wedding video for sale.

Nothing too shocking about that you might think. Except that the Hardings' wedding video didn't exactly end when the happy couple left the reception, but took in the first night of their honeymoon too.

● Also experiencing marital strife at the moment is Sri Lankan wicket-keeper/batsman Hashan Tillekaratne. In a submission to a Colombo court the cricketer has alleged that his wife was too busy attending society parties to cook his dinner for him. This atrocious behaviour was, apparently, preventing Hashan from concentrating on his cricket and lowering the standard of his Test performances. Perhaps Ray Illingworth should check the social diaries of the England team's spouses. It could be their explanation.

● Finally, it seems that practically every heavyweight boxer in the world is involved in some sort of contractual battle in the courts at present. A situation that led one old-time New York fight manager to complain: "In my day, if you had a dispute with a guy you rolled a molotov cocktail down his garden path. These days it's just lawyers, lawyers, lawyers." Yeah, things just ain't what they used to be. ♣

'Long legged woman dressed in black/Dressed in black, dressed in black, dressed in black, black, black!' So went a particularly stupid song in the 70s. It's the perfect description of 21-year-old Mariana who wears practically nothing else and loves wrapping her perfect pins around men's necks, pulling them hard into

her pussy. Unfortunately the next line of the song goes, 'Every time I make a move, she tells me "no". Every time she makes a move she tells me "no".' Which, thankfully, bears no resemblance to man-loving Mariana. Wish we hadn't brought it up really. Still, the pictures are pretty incredible, aren't they? ♣

the prodigy!

Matt Moore meets a genius…

Hanging around a pub on your own after all your mates have given up and you've been drinking since the night before, your standards of company are flexible. I'll talk to anyone who wants another drink and inevitably I'll listen to their muddled opinions and fantasies too.

I met David in a pub in Archway. Since we were drinking on our own in an empty pub, we introduced ourselves to each other. I asked him for the time, David told me his life story.

> *"I didn't even have that much of an interest in girls, I find there's something irritating about females"*

David was born in Ilford to Harry and Reena. Unable to give birth to a child, the couple opted for artificial insemination but since their wages couldn't afford help from the private health sector, they joined the ten-year waiting list on the NHS.

"The wait was too long," says David. "But fortunately my father saw an advert for a eugenics group that offered them the hope of a baby much faster that the NHS."

Eugenics is a dubious science that came largely to attention after the examples set by Nazi scientists during World War II. Whilst those bastards were preoccupied by blonde hair and blue eyes, eugenics refers to creating human life to specification.

David, still sat opposite me in an empty Archway boozer, is now trying to convince me that because of this incredible science he is actually the ultimate human being – both physically and mentally. I order another drink.

"I didn't fit in at all from an early age," he tells me. "Mainly because I developed much quicker than normal children. I was walking after six months, playing the piano when I was two-years-old and I had developed a passion for classic English poetry by the time I was four."

What about the children who lived near to your home, your neighbours, did you get on with them?

"I did suffer from bullying quite heavily. I didn't fit in with the children, and I didn't want to socialise with them anyway. I had nothing in common with them. At the age of four or five I was probably more advanced than most of the adults in Essex."

Did your parents understand you?

"No. For years I just lived in my room. They just brought my meals up. I had a home tutor from one of the local universities."

David achieved A-levels in English, Maths, Physics and Economics at the age of eleven and was enrolled at Cambridge University where he undertook a degree in Applied Mathematics.

"Whilst I was at University I developed an interest in antique dealing," he reveals. "From the age of thirteen I formulated a business plan and received backing from a rich trustee at the University, and before the year was over I opened my own antique shop in Cambridge."

David's new income allowed him to socialise more but he still couldn't attract the opposite sex, regardless of his so-called biological advantages.

"Girls didn't and still don't seem to find me attractive," said David, staring into the bottom of his empty glass. "I didn't even have that much of an interest in girls, I find there's something irritating about females."

But any self pity David felt was soon forgotten with his new found discovery: booze. Then shortly after that, fuelled by money, he developed a taste for cocaine. David's coke intake had escalated so much that by the time he was 16-years-old he had started dealing to the rich toffs at college, where he was studying for his Master's degree.

"I was selling coke through the antique shop," he says.

Five weeks before his final exams, both the shop and David's digs at college were raided by police, who discovered enough class A drugs to have David locked up for the next three and a half years.

"I served two years," he told me. "I began the first year at a detention centre, then on my eighteenth birthday I was sent to a proper prison. It was during those two years that I developed a bigger taste for criminal activities by mixing with the criminal element."

Didn't you get into trouble with the other prisoners for being a snobby toff?

"No, for the most part I was well liked. They used to call me The Prof', I'd help them out with legal matters."

Did you ever get any trouble?

"Erm, I was physically assaulted in the showers by a group of men once," he admits. "That was the only incident. The maddest guy in the whole prison was on my side because I was advising him on his impending divorce."

Leaving prison still aged only nineteen, David came to London to begin his life again. For a while, out of a Holloway bedsit, David sold and built pirate radio transmitters. He then found a job in a sex shop in Soho.

It was David's job to show potential customers the best bits from any hardcore videos that they were interested in.

Didn't you have a raging hard-on all day?

"Yeah," he admits. "But you can't do anything, you're at your sexual peak all day and there's nothing you can do."

What was the most popular title in the shop?

"*Girls Who Suck Cock And Eat Come Volumes 1 & 2.*"

Now that you're 20-years-old, do you still believe that the doctors created the perfect physical child after all?

"I think it's self-evident," he says.

So have your looks worked, have you ever had a woman?

"Erm, no. I'm not ready to commit myself to a relationship that will inevitably be unequal. I prefer my own company and reading books."

I leave David to go to the bar and get some more drinks in, when I return David reveals his plans to become a model. Sadly my tape machine ran out of batteries. ♣

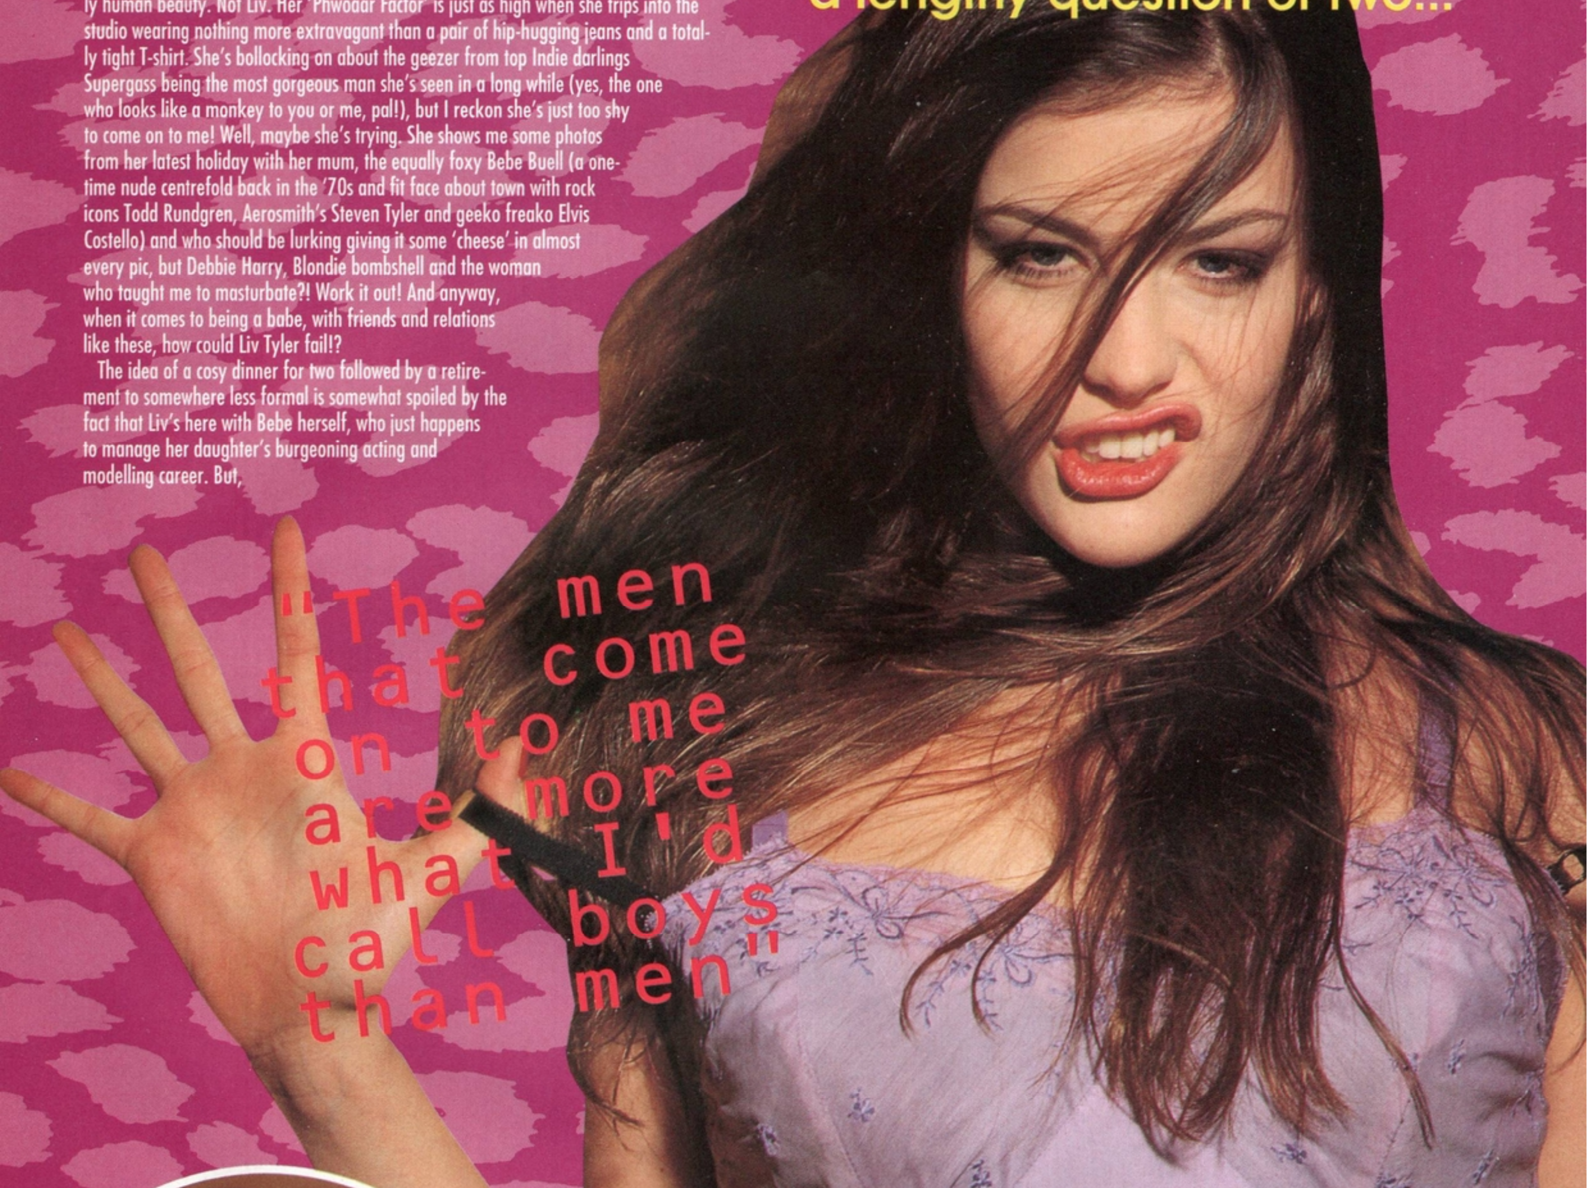
Liv for

She's got a famous dad, a fit mother and a mouth with blow-job written all over it. Lucky bastard Howard **'We Just Hung Out Together'** Johnson **slipped babe-to-end-all-babes, Liv Tyler, a lengthy question or two...**

She's got legs up to her neck, lips that could always find gainful employment as a suction pump should the need arise (as if!), a 'come hither' smile that has grown men running for the little boy's room and a baby-doll body that has girls whispering all manner of four-letter curses under their breath.

She's a distinguished actress and she's still at school if you want the boring stuff, but above all, Liv Tyler is Undisputed Champion Of The World, Total Babe Division. Take plenty of these new wunderkinds away from the camera eye and they shrink to merely human beauty. Not Liv. Her 'Phwoaar Factor' is just as high when she trips into the studio wearing nothing more extravagant than a pair of hip-hugging jeans and a totally tight T-shirt. She's bollocking on about the geezer from top Indie darlings Supergass being the most gorgeous man she's seen in a long while (yes, the one who looks like a monkey to you or me, pal!), but I reckon she's just too shy to come on to me! Well, maybe she's trying. She shows me some photos from her latest holiday with her mum, the equally foxy Bebe Buell (a one-time nude centrefold back in the '70s and fit face about town with rock icons Todd Rundgren, Aerosmith's Steven Tyler and geeko freako Elvis Costello) and who should be lurking giving it some 'cheese' in almost every pic, but Debbie Harry, Blondie bombshell and the woman who taught me to masturbate?! Work it out! And anyway, when it comes to being a babe, with friends and relations like these, how could Liv Tyler fail!?

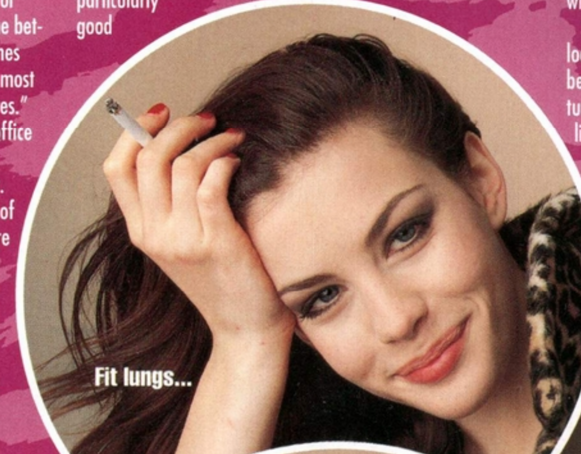
The idea of a cosy dinner for two followed by a retirement to somewhere less formal is somewhat spoiled by the fact that Liv's here with Bebe herself, who just happens to manage her daughter's burgeoning acting and modelling career. But,



> "The men that come on to me are more what I'd call boys than men"

Fit lips...

ever!



Fit lungs...

Fit thumb...

Fit mum!

y'know, the scenario does offer itself up to other, even more interesting possibilities, doesn't it? Whatever, there's work to do first. Like watching our Liv slip in and out of various skimpy outfits to pose for our photos. It's a hard life, this journalism business!

"People ask me if I think I'm beautiful," she ponders when she's finally stopped blowing long, lingering kisses to the camera and bending that five foot ten frame of hers to the point where I have to ask for the air-conditioning to be turned on. "Well, of course you feel beautiful when you're under the lights and you've got make-up covering your spots, but I certainly don't wake up in the morning and look in the mirror thinking I'm beautiful. The less I think about my looks the better I feel. If you feel good about yourself that's what shines through. Some of the ugliest people in the world are the most beautiful to me, because they are happy within themselves." Which is just about the best news we've had in the Club office this year. The second best news is this:

"I don't really have time for boyfriends at the moment. I'm really too busy with all my acting work and the kind of men that seem to be giving me the come-on at college are more what I'd call boys than men. All of a sudden there are loads of boys who seem to have just hit puberty and they're all coming up to me in the corridors and asking me to go out with them." And what do you do?

"I run and hide." Liv obviously wants a real man.

"I love going to these crazy clubs in New York with my friends Evan Dando and Marlon Richards. He's Keith Richards' son, you know?" How to drop names and influence people! "There are these fantastic clubs that some friends of mine run and they're full of wild people, transvestites and the like. No-one cares who you are and no-one bothers you, so you can just go mad, freak out and have the best time. I love it there." Liv's obviously got at least a smidgen of her dad's crazy Rock'n'Roll spirit about her. For her dad is, naturellement, Steven Tyler, notorious carouser, party animal and drug fiend of this parish, the man who had the good grace to admit that he thought groupies were 'God's gift' and 'totally amazing' when quizzed on the subject. Liv is adamant that she's never followed her father's legendary capacity for narcotic intake:

"I don't have any interest in drugs at all," she gurgles. "I know all about what my father did and I also know that it nearly killed him, so why would I want to follow that path? He's really open with me about that stuff and he tells me that it isn't any fun turning blue on a hotel room floor in the middle of the night."

"When he had his first seizure in front of me and I had to hold his tongue down with a pencil to stop him swallowing it, then I knew that it wasn't going to last," explains Ms. Buell rather helpfully at this point. "Steven was a nutter! I wasn't wild enough for Steven and he wasn't sane enough for me."

"I get asked what it's like to have crazy Rock 'n' Roll parents," explains Liv, while her mother gets herself slipped into a funky little leopardskin number for her own photos. She's in particularly good shape, it must be noted! "But I don't really think about it much. My mom has always been in bands herself, for as long as I can remember, so when she used to go away to play with her group I used to live with my aunt and uncle, which was a completely normal environment. I grew up in Maine, away from the big cities, because my mom wanted me to have a normal life, and I think that's really helped me."

Liv didn't even know the identity of her real father until her early teenage years. She believed that her old man was Todd Rundgren, whom Bebe had been with when she had her affair with Tyler and whom she returned to afterwards:

"I was with Steven for eight months and I was back with Todd before Liv was born, on July 1, 1977," she explains. "From her conception to Steven and I breaking up was only three months! Todd agreed to raise Liv as his own and she's still Liv Rundgren on her birth certificate and driving licence, but I think it was too hard on Todd to see this girl with huge lips every day as a constant reminder of my romance with Steven and eventually we broke up."

"I found out about who my real dad was in 1991," continues Liv. "I'd been putting a lot of different things together in my mind and eventually I just came right out and asked my mum, who freaked! The day after she'd told me that Steven Tyler was my real dad I sat in my room and couldn't really move, I had so much to think about. I was really excited, because I thought it was like Christmas. Two dads!

"My dad is so talented and I love to watch him perform. Aerosmith shows are great, although when you've seen them over and over... I know the whole show backwards. I'm pretty good at impersonating his moves, but I can't do back-flips. I'd fall flat on my face! I can't even do a cartwheel!"

Liv appeared in the Aerosmith video for the song 'Crazy', which must have freaked old man Tyler for sure, knowing that there would be millions of kids who dig his Hard Rock business getting very damp under the duvet over his own kid! Liv, of course, prefers not to think about the raising of the flesh cane when she's giving it her big, sexy business for the camera:

"When I look at myself in pictures I almost feel like I'm looking at a totally different person. It doesn't compute as being me. Never has. It's hard to put your true self into a picture or into words." What? Are you telling me that you don't like making all the lads think you're Liv Tyler, bird they'd most like to discuss the price of beef with?!

"No, that's kinda nice and kinda flattering, but what I really enjoy is doing photo sessions when it's promoting one of my films. It's not like posing in modelling sessions at all, because if I don't want to do something then I don't have to now. I'm too nice, so I don't get mean with people generally, but I could if I wanted to. I don't just feel like some clothes horse any more."

Liv's films haven't set anything more than a few sets of pants on fire yet, but that will surely change. Not only is she fully sexy, but she's also got big talent to boot. *Silent Fall*, where she played alongside old codger Richard Dreyfuss and the soon-come *Heavy*, where she's at work with her big buddy Evan 'In Bed With Courtney Love' Dando, prove that the girl can do words almost as well as she does visuals. But not quite. Obviously. Her mum, she claims, is her inspiration in everything she does, whether it's working the lips to make the likes of me go bananas or whether it's being oh-so-sensitive and proving her validity as an actress of repute. And she certainly doesn't feel she's been denied any of the fun that the likes of you or me can get away with because we live our lives far from that bleedin' spotlight:

"I don't think that I've lost out on anything because I've had such an exciting life and my mom's been there all the way; she's my best friend. I guess the only thing that's different for me is that I don't like to go out much, except to places where everyone else is so famous that they'e all in the same situation as you are. I feel nervous in public places where people stare at you. It takes the fun out of it. People are always likely to talk shit about you and if you go out all the time then you're feeding them. I guess with the career I've chosen it's just something I'll have to get used to."

Indeed she will. Everywhere you look these days there are Liv's lips trying to snog you, Liv's legs trying to wrap themselves around your head. If I was any kind of an investigative journalist I'd ask her if she was worried about the dangers of over-exposure, but why on earth should I do that? After all, she might take some notice and that wouldn't do the likes of you or me any good whatsoever now, would it?! ♣

What's sexy Sharon been up to since we last saw her in Club? Reading through all your fan letters by the look of things.

"I've got another three sackloads to get through," giggles the gorgeous 22-year-old from Newbridge. "I've been reading every single one, and I never knew you lot were so kinky!

"Some of your suggestions have even made me blush, although I'm tempted to take a few of you up on your offers in the future! Meanwhile I'll keep reading your letters, although they're making me feel so horny I have to keep stopping to slip a finger inside my knickers and give myself a gentle frig. At this rate, I'll probably finish reading through them all by, oooh, next year at the earliest!" ♣

WOMEN'S WRITES

Where the girls get down to business

AL FRESCO FROLICS

If you thought that hiking through the countryside was boring, then I reckon you should come out with me sometime. I have a great way of keeping things interesting during the summer months with a technique that I discovered completely by accident last year.

I love walking and had headed out across the country about thirty miles from where I live and work in Leeds as a waitress. It was a scorching hot day and I was enjoying the scenery. When I got to the stile at the end of one field, I straddled the wooden post and began to haul myself over. Unfortunately I snagged the back of my jeans on the post, lost my balance and ended up falling rather unceremoniously into a pool of water on the other side of the stile.

I was thoroughly drenched and miles from my car, and there was no way I was going to walk all that way in damp clothes. There was only one thing to do, and I found myself a secluded spot and stripped off with the intention of putting my mac on and walking back to the car with my wet clothes in my back-pack. Trouble was, as I peeled off my damp clothes and felt the sun beating down on my naked body, I couldn't help but think how turned on I felt. I still don't know to this day what possessed me, but I found myself lying back on the grass feeling my pussy getting wet as I became more and more turned on. I couldn't resist pushing a fingers inside my knickers and teasing at my clitoris until I could feel my pussy swelling in anticipation of a damn good wank. I've always enjoyed a good frigging session in the privacy of my own bedroom, but I had never been so daring as to do it out in the open air. It was such a thrill and I soon lost all my inhibitions as I felt an orgasm pulsing through me, letting out a loud scream as I came. My free hand tugged on my nipples to wring out the last throes of pleasure from my fantastic frigging session. It felt totally liberating and amazing.

I couldn't resist pushing a finger inside my knickers and teasing my clitoris

I eventually did make it back to my car, and as I drove home I couldn't stop thinking about my open air wanking frenzy. My hands strayed down to my boobs and I gently rubbed my nipples, and I soon had to pull over to finish myself off. As I stretched back across the front seats, my fingers buried deep inside my crack, a few cars even slowed down to see what was happening! It felt deliciously naughty, and by the time I eventually got home, I was so turned on by my new exhibitionist leanings I devised a plan to put into operation at a later date.

The following weekend I put my plan into action and went out walking again – only this time I came out wearing nothing but my raincoat and walking boots! I've been told that I've a shapely pair of legs, so I felt incredibly sexy as I strutted slowly through the fields.

After about half an hour a man who was also out walking alone caught up with me and introduced himself, and we walked along together. He was quite young – 18 or 19 – and very fit looking, and I could feel his eyes eating me up as he occasionally fell behind and looked at my bum.

"Do you like the outdoors?" I asked him. When Jamie nodded enthusiastically, I loosened the belt of my coat and let it fall open to reveal my naked body underneath. "Do you like the idea of having this outdoors too?" I giggled.

Jamie's eyes almost popped out of his head, but before he had a chance to say anything I led him by the hand to a secluded spot and started loosening his

clothing. I was making all the running now and Jamie didn't resist as I slid his trousers down his knees and pulled out his cock. It was already hard and dropping to my knees I wrapped my lips around his shiny bell-end. I began deep-throating him for all I was worth, tasting the salty pre-come on the tip of his dick and thinking about the hot spunk that was sure to flow soon enough.

I pulled away and then laid myself down on the grass, spreading my legs and pulling Jamie on top of me. I grabbed his cock and directed it towards my sticky hole, easing it between my love lips. He started bucking frantically, grinding his thighs from side to side as he worked his prick inside me. The two of us were like wild animals as he pounded back and forth, and I was sure he was about to come.

"Pull it out!" I screamed when I felt Jamie tensing up. He whipped his cock out and shot his load all over my stomach and breasts. I reached down and scooped up a fingerful of his warm seed and greedily brought it to my mouth. What an incredible climax!

Well, there was no way that we could just leave things like that, so we decided to dress quickly and head to a local bed and breakfast where we spent the rest of the night fucking.

Now Jamie and I meet regularly at the same spot for open air frolics, and our passion is heightened when we know there's a chance of getting caught. There was a young couple who we were sure were watching us recently, and the girl got so turned on she hitched up her skirt and her boyfriend dived between her legs to eat her out! Of course, we had to ask them to join in and the resulting foursome was amazing! If any of your readers want to know the route of our walk, I'd be only too happy to supply you with a map! – *Elizabeth, Leeds*

I've just returned from a fabulous holiday in Thailand, and just had to write in and tell your readers about the filthy frolics that I enjoyed while I was there. In fact, as I write this down (on the plane back to Heathrow, no less!) I'm beginning to feel very turned on.

I must admit that I went on holiday to get over an ex-boyfriend, and I planned to really let my hair down and

enjoy myself. I was booked into a hotel in the resort of Phuket (I kid you not!) and decided to familiarise myself with the area as soon as possible. I dropped my bags off at the hotel, then headed out to find one of the secluded beaches that this place is famous for.

When I found a suitable stretch of deserted sand, I started wandering slowly along checking that nobody was around. I fancied the idea of an all-over tan, so I peeled off my sarong and walked along naked, my 34D boobs bouncing gently and the nipples stiffening under the warm breeze. I finally came to a spot beneath some palm trees and decided to lie down for a while. Before I could even do that though, I heard voices nearby.

"Oh Jason, you've got a fantastic cock. Stick it right inside me. I want you to make me come." Naturally my curiosity got the better of me, and I wanted to see for myself exactly what was happening. I approached very quietly and I could see a young couple, stark naked, fucking energetically. Jason's cock, it has to be said, did look quite fantastic as he pulled it out to the very tip and then plunged deep inside again. The girl was screaming her head off by now, "Fuck me, oh please fuck me harder!" And what a girl she was too; long blonde hair cascading down over a shapely, tanned body and shapely breasts that bobbed back and forth with his thrusts. I was enthralled and excited as I lay there watching as unobtrusively as possible. The situation was so horny that I couldn't resist reaching down and gently rubbing a finger against my swollen bud.

Jason held his thick cock over my mouth so I could lick and tease his purple helmet

"I'm coming!" gasped Jason, and that triggered me off at the same time and I felt my own orgasm surging inside me. I watched as Jason reared up and shot his spunk inside his partner's pussy, and then both of them collapsed on the ground exhausted. I had to bite hard on my lip and a loud moan escaped as I came a second time. I decided that I'd been very lucky not to have been spotted by the couple, and quietly slipped away before I was discovered.

To my utter astonishment, the first people that I saw in the hotel bar that evening were Jason and his partner! I couldn't resist walking over and talking to them and discovered that Jason and Jenny were newlyweds on honeymoon. Jenny in particular was very amiable, and all I could think of was watching her getting thoroughly rogered earlier that day. Eventually, I just couldn't help myself.

"I have actually seen you both today already," I confessed. "You were having a very kinky sex session underneath the palm trees on the beach."

"Oh my God!" giggled Jenny. "Did you see that? Was it, er, interesting?"

"It was unbelievable," I told her. "I was so excited I had to play with myself."

"Well, how about the three of us go and play a little bit more now?" she purred sexily.

I couldn't believe that within a couple of hours of meeting this horny young couple, I was heading upstairs to their bedroom, but that's exactly what I did! Jenny wasted no time in stripping me naked and then diving between my legs to lick me out, while Jason held his thick cock over my mouth so that I could lick and tease his purple helmet. He ran his hand up and down his shaft furiously and then suddenly came, coating my face, stomach and tits in his sticky seed.

Jenny stopped ministering to my cunt for a second and greedily licked her boyfriend's come from my boobs, paying special attention to my nipples. We took things a stage further and ended up putting on an incredibly dirty display for Jason that had him coming again!

Jenny and Jason are an incredibly liberated couple, and I reckon I spent as much time between Jenny thighs as Jason did over the next fortnight! Now that I'm heading back to the UK, I've promised to look up both of them just as soon as they get back in a few days time – I'll let you know how things progress! – *Alice, Nottingham*

HOLIDAY BLUES

Playing away from home

THE HEAT IS ON

I never thought I would get the opportunity to write into Club, though I have been an avid and regular reader since I realised that I was bisexual about four years ago. I'm 23 now, and have enjoyed a varied sex life with both male and female partners. If you asked me what was best, I honestly couldn't tell you – as far as I'm concerned all sex is good, whoever is in the bed with me!

I lost my virginity to a boy at college when I was 18-years-old, and from then on I've always loved cock. But I soon found myself fantasising about other girls at around the same time, and I finally had my first girl-girl experience at 19, just before I left college. It was with a girl with whom I'd always had a very intense friendship – and once we'd fucked each other, I knew why it had been like that. It was 'cos we fancied each other like mad!

After that there was no stopping me, and I've been a slave to my huge sex drive ever since. In fact, if I go for more than a few days without sex I'm hell to be around!

Not that I've ever had any problems getting laid, by either sex. I'm not boasting or anything, but I'm good-looking and know how to keep myself in shape. I'm five feet eight with a toned and tanned body which I love to show off in little bra tops, mini-skirts and high heels. I've got this sort of pouting look about me too, and although I'm 23 I look a lot younger than that.

I've had a variety of jobs since leaving college, but my current one is the best. For the last six months, I've been working in Greece as a holiday rep and it's as exciting as I'd expected it to be. The resort where I work is pretty exclusive and populated by rich European couples who like to moor their yachts there and use the lavish apartment blocks. Of course, as well as meeting a lot of people, the hot weather means that I'm able to show off my body at all hours of the day and keep my tan topped up.

She pulled my trim thighs apart and buried her face into my sticky muff

I could write pages telling you about the encounters I've had since I moved here, but the one which still has me tingling with arousal happened about a month ago. Pilar is a gorgeous Spanish woman who came to stay at the resort with her husband and a few friends, and the sex between us was pure dynamite!

I noticed her on the very first day she arrived at the apartment complex where I'm based. In fact, she looked rather like me, being the same height and with the same tan and dark colouring. She long black hair which rippled down her back, and her lips were painted bright red. I felt the juices start to flow between my pussy lips the moment our eyes met, and the way she was staring at my long legs as I stood there in my bikini made me certain the same thing was happening to her. I knew it would only be a matter of time before we fucked each other – and I couldn't wait.

In fact, it was two days before Pilar made her move. I'd left it up to her. After all, I was there to work and she was with her husband. I knew she'd make a move, though. Every time we exchanged smiles or pleasantries I could read her mind, knowing that she was thinking about pulling my thighs apart and burying her face into my muff.

On that day, Pilar's husband and their friends went out for a cruise to one of the islands nearby, but I wasn't surprised to find Pilar lounging by the pool as I finished work.

"I've been waiting for you, Carla," she said as she beckoned me over. "I knew you'd be getting off early." As she said that, I felt her glance rake over me, and although I was wearing a halter-top and shorts with my high heels, I might as well have been naked.

"I can see that you've been waiting for me, Carla," Pilar continued. She reached out her hand and started to stroke the front of my shorts with her fingers. She didn't care that we were in view of

anyone who happened to be looking as she stroked slowly, moving her fingers lower until she came to the hem of the shorts. Then she hooked her fingers underneath and I felt her forefinger connect with my pussy.

I sighed and shifted my thighs further apart so that she could move a couple of fingers inside me. Pilar worked her fingers on my pussy lips faster, and I bit my lip as I came.

"This isn't good here," said Pilar. "When I make you come, I want you to be screaming your head off."

And with that, she grabbed my hand and led me up to the suite that she and her husband were renting. "He won't be back for hours," she told me as she locked the door and started to kiss my neck and undo my top. Then she eased my shorts down, still never taking her mouth from my neck and shoulders until I was standing naked in front of Piiar.

"I knew your body would be this delicious," she whispered to me as she guided me towards the bed and laid me face down on it. I could hardly breathe with excitement as I watched her undress in the huge mirror that hung over the bed-head. She played with herself as she took off each item of clothing, her fingers working slowly over her clit.

"Look how wet you've made me," she whispered as she knelt behind me on the bed and prised my bum cheeks apart. I watched in the mirror as she bent her head, then I had to fight to get my breath as I felt her tongue run over my slit before plunging inside.

I swear I almost tore the pillows to shreds, I was gripping them so hard as Pilar ate out my pussy. I looked between my legs and my whole mound was covered in her lipstick as she tongued me. Her long nails dug into my bum cheeks and her tongue disappeared right up my crack as she added a couple of fingers inside me for good measure.

Well, that did it for me. I orgasmed and must have almost broken the windows as I screamed out as another built up and broke inside me. Pilar didn't stop eating me out until I'd come four or five times, after which I collapsed on the bed and rolled on to my back with a smile of bliss on my face.

"Don't stop yet," purred Pilar, rolling up the bed towards me. "I want you to bring me off the same way I did for you."

I could hardly wait to taste her snatch on my tongue. She straddled my body and lowered her pussy onto my mouth. Then I plunged my tongue between those lips.

The moment I began to eat

I shifted my thighs apart so that she could move two fingers inside me

her pussy, Pilar trembled and was soon coming. She almost tasted too delicious; I've never tasted come juice as sweet as Pilar's.

We had to stop then, because Pilar was expecting her husband Ramon back at any moment. "Meet me tomorrow and arrange for us to take a little sightseeing tour alone," she said.

It was easy enough to take Pilar on a private trip. I hired a jeep and told my boss that the rich Spanish lady wanted me to show her some of the local points of interest. Really, she'd be showing me something entirely different!

Pilar wore a black bolero top with a mini-skirt and high heels. As we drove out of town I couldn't keep my hand from pushing her skirt up so that I could fondle her pussy as we drove. By the time we parked, she had her feet up on the dashboard and I brought her off with my hands.

We looked around a couple of shops, trying a few clothes on, but really looking for somewhere where we could be alone. Pilar bought me a bra top in silver and black, quite unsuitable for daytime wear, but I wore it for her anyway because she said it showed off my big tits to perfection.

"I've got to suck on them – I just can't wait any more," she panted as we sipped drinks in the local taverna. Suddenly, I was feeling as randy as she was. We had to find somewhere to go.

Behind the taverna was a little veranda which led to what looked like a crowded beach. Making sure no one had spotted us, we slipped back on to the veranda.

"I can't wait – I've got to have you here," Pilar told me as she took off her skirt and top. At that moment, I didn't care that anyone could have seen us from one of the taverna's bedrooms. All I wanted was another taste of Pilar's cunt.

I was down to the bra top and my high heels by then, with Pilar in her stockings. I knelt down between her legs and shoved her panty crotch aside so that my tongue could ease inside her hole.

I lapped away at her as if my life depended on it, my own pussy throbbing and wet as Pilar held my head to her crotch and urged me on to lick her out harder and faster. I felt her love juices trickling down into the back of my throat, and I swallowed deliriously as she came in my mouth.

We could hear the voices from the front of the taverna as we swapped places and I swear I came four times as she ate me out.

I can honestly say that no woman has ever turned me on like Pilar did – and after she and her husband left the resort, she wrote to me and has invited me to visit her while Ramon is away on business. Apparently, her 'friend' Luisa is eager to meet me too! I can't wait... – *Carla, Greece*

SEXY PICTURES AT THE HOTEL

My boyfriend Charlie loves to take photographs of me with no clothes on. Not the kind of badly taken snapshots or Polaroids that appear in certain other magazines, but classy well-composed photos. Charlie is a professional photographer and he always makes sure that my naked body is seen in the best possible light. I get a tremendous thrill when he exhibits his work in posh galleries and I see men's reactions when they come across my pictures. I love the idea of them getting turned on as they study my long legs, full boobs or my neatly shaven pussy.

Charlie always manages to make me look pretty irresistible, although he hasn't really had to teach me that much about expression. When I look into the lens I imagine all the men getting worked up over me and it's all I can do to stop myself from pulling my pussy lips apart and indulging in a little foreplay right there and then.

Charlie prefers to shoot me in the studio where he's in full control of the situation, but my favourite location has to be in public places where you wouldn't normally find a naked woman flashing her boobs and bum. Hotels are my particular favourite, and I don't necessarily just mean in the rooms. I'm talking about corridors, lifts and lobbies; in fact, anywhere where there's an element of danger.

Of course this would be fine if Charlie was just going to whip out his Instamatic, take a few shots and then move on but it doesn't work like that. He always wants to check the light, adjust his equipment, compose the shot – and during that time I'm usually naked and so turned on I'm ready to explode.

We've got away with it on a few occasions, but it was only a matter of time before we were going to be caught. I wonder now whether that was just part of the thrill, to see what the reaction would be of someone who walked around a corner to find a naked 22-year-old woman parting her legs and wiggling her bum towards the camera!

Anyway, we were finally discovered at a big hotel near to where we live in Middlesborough. We'd found a quiet alcove near to the breakfast bar and we knew that once they stopped serving food at noon, there would be no activity in the part of the hotel until four o'clock that afternoon. I slipped out of the long black coat that I had been wearing and stood there in nothing but a pair of high heels. I felt so turned on that all I wanted to do was to lie back on the marble floor, part my legs and start frigging myself. Of course I knew I had to pose for Charlie, so I stood there impatiently, eager to start strutting my stuff.

Charlie eventually sorted out his gear and began whispering instructions at me. "Okay, bend over more so I can see your cleavage," he said. "You look amazing. Spread your legs just a little more." I love it when Charlie tells me how to pose, but he doesn't have to do it all that often – I guess I'm a natural! Charlie shot off a few more frames, when all of a sudden a young maid walked around the corner carrying a bunch of towels. When she saw me, she was so stunned that she dropped them all over the floor and stood there with her mouth open. I grabbed my coat and Charlie began fumbling, trying to quickly pack his cameras away so we could get out of there before she alerted the manager.

The girl, however, composed herself and started grinning from ear to ear. "There's no hurry," she laughed. "I won't tell anyone if you won't." Then her eyes met mine and slowly glanced over my body.

I could feel warm juices dribbling out of my hole

She bent over to pick up the towels and as she did so she revealed a thin pair of lacy black knickers and the tops of a pair of black stockings under her uniform.

"This way," she said quietly, without adding any explanation. We trailed behind her as we were led down one of the service corridors, up a flight of stairs and out on to the first floor.

Pulling a bunch of keys from her pocket, the girl opened up one of the rooms and beckoned us in before slipping a 'Do Not Disturb' sign on the door-knob and locking the door shut.

"I've always wanted to have my picture taken with no clothes on," she said excitedly. "My name's Justine." She held out her hand which I took in mine.

"Set your cameras up then," she giggled. "I've got a few ideas I'd like to try out." She reached over and pulled the belt which held me mac together and slipped it from my shoulders so that I was naked again. My breaths was coming in short pants now, my nipples hard and pointing to attention. Justine was a very sexy girl; she must only have been 18 or 19 with a great figure, and I couldn't wait to get my hands on her. She must have sensed this and she dropped to her knees and buried her face in my pussy.

"I think this would make a great shot," she continued as Charlie began to set up his equipment. Justine wasn't simply into posing though, and she started to dart her tongue in and out of my pussy. Her tongue teased at my lips and I could feel warm juices dribbling out of my hole. It was all I could do not to buckle at the knees as she gave me expert head like a real pro. I was aware of Charlie clicking away, but to be honest I was more interested in the licking I was receiving from Justine. I leant back on the dresser and put my hands around the back of her head, pushing her harder into me so that my pubic bone was grinding into her face.

With a low moan I felt the start of my orgasm, grinding my cunt against Justine's face as the climax built up inside me. As I started to come I looked up and saw that Charlie had put his cameras down and was already stripped for action, his thick cock bobbing up and down in front of him. He moved behind Justine then and slipped the knickers she was wearing to one side.

Justine let out a muffled cry of anticipation and she pushed her bum further into the air so that Charlie could

slip inside her doggy-style. Although I couldn't see for myself, I was sure that Justine was wet and turned on, because Charlie slipped straight inside her and slammed his cock into the hilt. He began thrusting his tool back and forth and I could feel her body move forward and her tongue move further inside me.

In a matter of minutes, Charlie was banging into Justine like there was no tomorrow and she pulled away momentarily from my pussy and rested her hands on the dresser to feel the full effect of Charlie's energetic thrusts. I didn't mind one bit, I always get very turned on watching Charlie fuck other women. I tweaked at my own nipples with one hand and began frigging myself with the other until I came noisily. Justine still had her uniform on at this point, but when Charlie finally came and shot his load all over the black material she was out of it in seconds, revealing a gorgeous body with firm tits and a nice arse.

"Get your cameras," she panted, laying back on the bed. "I want you to take a photograph of me as I make myself come. That would be really horny, don't you think, Carol?"

I nodded, but there was no way I could just sit there and watch the action! I dived on the bed beside her and the two of us started frigging ourselves as Charlie snapped away. Justine came in a matter of seconds, while I wasn't far behind her. Then the two of us fell back on the bed in a giggling heap.

We straightened ourselves up a bit, then Justine suggested that I should get to know her boyfriend as well. When Justine revealed that he also took photographs, it was simply too good an opportunity to miss.

The following weekend Charlie and Ian set up a mini-studio in Justine's flat and we had a great weekend, the cameras clicking away as Justine stood astride me and I licked her out. I loved the taste of her pussy, but after our photo sessions I discovered that I loved the taste of Ian's cock just as much!

As he laid back across the sofa I worked vigorously on his cock, culminating in him shooting an arc of spunk that splattered all over my face. Just across the room Charlie and Justine were banging away and the sight of my boyfriend fucking another woman was fabulous. All in all, the weekend turned into a filthy fuckfest – and we've got the photos to prove it!

Our foursomes are pretty regular now, and we've instigated some wild scenes at the hotel where Justine works. Charlie and I have never experienced so much sex and the only problem is the cost of all the film that we're getting through! Still, it's a small price to pay, don't you think?! – *Carol, Middlesbrough* ♣

America's biggest titted girls (AGED 18+) each take their turn at turning us on. If you love big boobs and you don't buy this one........well, you're either mad....or you just don't really love big boobs. Porn stars, such as Letha Weapons Tiffany Towers, Lynden Johnson, Kimberly Kupps, Sally Layd, Veronica Brazil, Wendy Whoppers, Dixie Dynamite Rebecca Wild, Lisa Lipps, Kayla Kleavage and other. All of these girls have busts measuring at least EEE cup and most are much bigger! What great sex (and breast relief, of course,) they perform. TRACI LORDS - ALL NEW COMPILATION

Born May 7th 1968, Traci is one of porn's biggest stars. She's now moved on to legitimate TV but this is a full length compilation of a lot of her dirtiest hardcore sex scenes. From "Traci - I love you" to some of her earlier skin flicks, Traci is a joy to behold when having sex. She looks you straight in the eye, as if daring you not to become over excited at the sight of her body being screwed. And her mouth - what a pleasure to see it in real 'O' action! Traci Lords is a genuine porn star and even though much of this video dates back to the mid - eighties, it's still very erotic and Traci is a delight to watch. ing around my cock with each stroke. I cupped my hands over her breasts and pulled Cathy hard against me as her breathing became more frantic. She let out a loud cry as an orgasm pulsed through her, and that triggered me off too.

I recognised that familiar tingling in my balls and thrust into Cathy as deep as I could until I shot my load inside her. I felt like she was milking me dry; her pussy sucked each drop of cream I shot inside her and we fell back onto the bed, exhausted.

We must have nodded off, because we were woken by the sound of the front door slamming. Outside the bedroom I heard a girl with a very proper accent call out, "Cathy? Natasha?"

"Oh no," cried Cathy. "it's Helen."

A tall dark-haired girl strode into the room and burst into a fit of the giggles at the sight of Cathy and I. "Busy revising at the library, huh, Cath?" she teased. Cathy blushed and introduced me to Helen.

"I hope you haven't worn him out," said Helen, winking saucily. "Cos I reckon I could teach him a thing or two as well."

Helen then peeled off her tee-shirt and let her skirt and knickers slip to the floor. Her breasts were slightly fuller than Cathy's and her pussy had been closely shaven. She jumped onto the bed beside me and immediately buried her face between my legs, taking my cock into her mouth and lapping hungrily with her tongue.

Meanwhile Cathy slipped two fingers into Helen's pussy and started to bring her off. I could feel myself coming and warned Helen. "We don't want to waste that lovely cream," she giggled, turning over onto her back and beckoning me on top of her. As I pushed my cock inside her, Cathy lowered her pussy over Helen's face so that we could both tongue her in unison as we fucked.

Helen wrapped her long legs around my back as I drove into her, our tongues meeting to probe between Cathy's trembling legs. Cathy came first with a sharp gasp, then fell back on the mattress as Helen and I shared a kiss which tasted of her flatmate's sweet pussy. The sound of Helen gasping as waves of orgasm rippled through her body was what finally brought me to a climax. Helen's athletic body buckled under me as I drove my cock deeper, firing the last drops of spunk inside her. We sank back onto the bed, exhausted but satisfied. Lying between these two lovely girls, their naked bodies rubbing against mine, I soon forgot all about exams! In fact, I seem to spend more time studying the female form than I ever do with books! – *Pete, Liverpool*

STREETS AHEAD

When I left University in the Midlands a few years ago, I had no interest in going back or keeping in touch with most of the other students. They all seemed to be copies of Student Grant from *Viz* and, besides, I was having far too much fun living it up as a young, free single bloke in London.

However, about a week ago I got a call from an old mate, Stuart, who told me there was a reunion planned and asked if I wanted to go. "No way," I told him.

Stuart then pointed out that Kelly was going to be there too. Kelly was the babe of the campus, a real stunner of a girl with long, blonde hair, gorgeous breasts and a peach of an arse. I'd tried for months to get her out on a date but to no avail, maybe now things would be different. I told Stuart I'd think about it and he gave me all the details.

In the end, I went along – and I'm glad I did. The first person I saw when I walked into the hall was Kelly. She's 21 now and she was looking better than ever. She was wearing a black satin baby doll dress that showed off her pert tits, trim little bum and long legs. I walked straight over and introduced myself.

"Mark? I'd hardly recognise you!" she said. "You look great."

We got ourselves a drink and started chatting, although it was hard to talk to her, and not her lovely tits! We ended up spending most of the evening together, getting thoroughly shit-faced into the bargain. Towards the end of the night, Kelly pulled me closer towards her. "Let's ditch this lot and head off to a club," she whispered. "I haven't been out for ages, can you show me a good time?"

My head almost fell off my shoulders as I nodded enthusiastically. We slipped away from everyone else and headed off to a club just around the corner where Kelly dragged me straight onto the dancefloor.

She was an amazingly sexy dancer, gyrating her hips and pressing her boobs against my body. The more we danced the more physical she became, until she was practically rubbing my prick through my trousers. Not that I was complaining, you understand!

As one record ended, she moved closer. "Let's go somewhere quieter," she said, leading me out of the front door of the club.

I couldn't keep my eyes off her wiggling bum as she dragged me up a back alley behind the club, the two of us giggling like naughty kids. Then she suddenly stopped and pushed me against a wall and pressed her lips to mine, reaching down to undo my belt and delve into my boxers. Her fingers wrapped around the stem of my cock and she began to slowly wank me off, pressing her body against mine. My hand found the hem of her skirt so I hitched it up and she started to moan as I rubbed her pussy mound. Her knickers felt warm and wet, and she pushed her pussy onto my hand as I stroked her. There seemed to be a constant stream of people walking past on the main road, and that just seemed to turn Kelly on even more.

As I pulled her knickers to one side and pushed a finger up her crack, she panted loudly. "Another finger," she whispered. I eased another finger inside her and felt her cunt walls tightening around them. "I want to feel your cock now," she panted, leaning back against the wall and spreading her legs.

She didn't bother pulling down her knickers, but simply eased them to one side. The sight of her wet pussy, exposed and gaping, was the best invitation I've

JEB'S

JEB'S

Those of you not off-your-faces on your chosen placebo might be wondering why Sasha appears to sleep in a garage with a motorbike. Well, of course, that's all total bollocks – just some photographer's idea of being arty. But it doesn't stop 21-year-old Sash being one hell of a horny babe who, quite co-incidentally, likes bikes. "And the men who ride them!" adds the Plymouth girl. "My dirtiest dream is roaring down the motorway with my arms round some hunk, the 750cc engine filling up my fanny. Then we stop for a shag on the hard shoulder, fucking in front of all the boring weekend drivers!" And you thought the photographer was a nutter.♣

Penetration
Romsoft

If you're looking for the ultimate in adult action, look no further than *Penetration*. From the scintillating introduction to the breathtaking finale, it's simply the best CD-ROM available.

Vanna Tight is your hostess as you play a game of Snap. Each time you find two matching pictures you're rewarded with a full-screen photograph or one of the many video clips. The pictures are explicit and the video clips even more so – and if you're a fan of double-ended dildos you'll be in heaven.

There are six game boards, and when you complete the last one you gain entry into Vanna's secret love palace. Watch out for the 'zonk' squares though – you only have three lives and then you have to start again.

Once you arrive at the final segment of the game, it's all worthwhile. Vanna performs an elaborate striptease before rubbing herself down with baby oil. If it was any hotter, the CD would melt.

Urotsukidoji – Legend Of The Overfiend
New Machine Publishing

Sadly, after such a promising start, this month's column comes crashing straight back down to earth. It's not so much that Urotsukidoji is crap, it's just that it's severely limited in the trousers arousal department.

It's an animated science fiction epic and is, quite frankly, a waste of time. The animation may be excellent and the artwork superb, but it won't make your floppy disk hard.

There's no shortage of naked flesh, and even a smattering of tentacles wrapping themselves around female bodies. Not surprisingly, it isn't much of a turn-on – and if you think different you're very very sad.

The Interactive Adventures Of Seymore Butts
Interotica

And so, after the good and the bad, the ugly. Seymore Butts and his pals are no Picassos, but that doesn't stop them from shagging their way around Los Angeles. Seymore, you see, found a video camera in a rubbish bin somewhere along Hollywood Boulevard, and is now getting into some pretty steamy situations.

The plot is simpler than one of Seymore's chat-up lines. As our hero drives around the mean streets of LA he keeps finding women who have been cheated on by their boyfriends. He offers them the chance of revenge in the shape of a starring role in a pervy video postcard which they can then send to their unfaithful partners. With over 90 minutes of video, lots of interaction and some pretty impressive scenes (especially the huge orgy at the end), this is one of the better CD-ROMs on the market. The only drawback is that some of the camerawork is a bit shaky, but you can't blame Seymore – hey, it can't be easy keeping your lens in focus when a gorgeous babe is gobbling you!

ever had. I pulled my trousers and boxers down and eased my cock inside Kelly's cunt. Pressing her mouth against mine, she writhed and moaned as I built up a steady rhythm, my hands playing all over her boobs and pushing them up so I could kiss and suck them at the same time.

Judging by the number of cries coming from Kelly, she was close to coming. She pressed her hands against my chest to steady herself as we came together. Kelly cried out, her boobs shaking as her orgasm kicked in and I shot a thick wad of spunk inside her.

After that we decided to head back to Kelly's place, where we continued our rampant rogering. It really was quite a reunion to remember and Kelly is planning to come down to London in the near future, although I don't think she's going to be interested in sightseeing! – *Mark, Deptford*

DILDO DELIGHT

I don't know how many of your readers are women, but I can tell you that you have one very satisfied female subscriber up here in Newcastle. My name is Maria, I'm 19 years old and I have to admit to feeling very turned on when I look at the wonderful pictures of beautiful girls in your magazine.

I wouldn't consider myself to be a lesbian since I love nothing better than a hard cock, but I know a stunning girl when I see one – and I've even slept with a few in my time. I haven't even told my best friend, Teri, about the women I've fucked but it all came out one night when she came round to my place.

We made ourselves comfortable in the living room, opened a bottle of wine and made small talk. As we were chatting away, Teri started shifting around on the sofa. "There's something sticking into my back," she said, digging up the cushions and poking around. My face went scarlet as she held up a copy of Club that I'd left behind a cushion.

Teri started giggling. "What's this?" she laughed, flicking though the magazine.

Then she came across a page of adverts for sex toys. "I've always fancied a go on one of these things," she said as she spotted a dildo.

I took a deep breath. "Well, there's one in my bedroom," I told her. "C'mon, follow me."

Teri followed me through to the bedroom, I opened my bedside drawer and handed her the dildo. Teri held it in her hands, gently stroking the ridges and then asked me exactly what she was supposed to do with it.

"Take off your clothes and lie on the bed," I said. Teri undressed and a gasp escaped my lips as I marvelled at her slim figure and big boobs. Even though she was my closest friend, I'd never seen her naked before and I certainly liked what I saw. I described in graphic detail how I teased myself, and Teri followed my instructions, opening her legs and easing the dildo into her pussy. Raising her hips with each stroke, she slid the dildo in and out and began trembling as an orgasm gripped her.

That's when I lost my self control and climbed onto the bed beside her, running my tongue over her nipples until they were poking out erect. Her breathing came in harsh gasps and her body trembled under my frenzied ministrations. Teri's hands were shaking so I took over, pumping her pussy with the dildo. "Make me come," she moaned. "Work my clit!" Stroking her pink bud, she arched her back and then cried out as she came, still begging me to continue.

WINE MERCHANT
Martin

Never mind all that 'full-bodied, light bouquet' crap! Will it get my date pissed enough to gimme a blow-job?

When she sank back into the bed, I pulled out the dildo, eased my own knickers aside and slipped it inside my pussy. Teri soon recovered, kissing me hard as she grasped the dildo and fucked me vigorously. My pussy was being pounded by the deep ridges of the dildo and I felt myself coming. "Faster!" I demanded and Teri responded. The dildo rubbed against my pussy walls and I climaxed, shaking as the full force of the orgasm hit me.

That night was just the start of our lezzie relationship. We even sent off for one of those double-ended dildos which really opened our eyes – not to mention our thighs! We still go out on the pull together, but it just means that if we don't meet any blokes we can go home and fuck each other! Perfect, huh?! – *Maria, Newcastle* ♣
